# CHRISTMAS WISH BOOK

## Create

Your very own Christmas Wish Book for this holiday season!

### YOU WILL NEED

A PRINTER | NON-TOXIC GLUE | HOLE PUNCH | RIBBON | PEN

### DIRECTIONS

#### Step 1

Print out the following four pages on your home computer.

#### Step 2

Glue the pages together back to back as indicated on diagram A. Allow to dry.

#### Step 3

Stack the pages together and fold into a booklet. See diagram B

#### Step 4

Use a hole punch to make two holes, one at the center fold top and one at the center fold bottom. See diagram C.

#### Step 5

Pass ribbon through the holes in your book from the inside center fold through to the outside cover fold and tie off in a bow.

#### Step 6

Add a second piece of ribbon to create a loop to hang your wish book from a tree or mantle as decoration.

#### Step 7

Fill your book with your hopes and wishes.
