CROODS CREATURE CREATOR

DRAW YOUR OWN MASHED UP ANIMAL

The Croods live in a time where Mother Nature was still experimenting, so there are a lot of fantastical creatures in their world. Many of the animals are actually two creatures rolled into one. Go wild picking any two animals, and draw what they would look like mashed together. So for example, imagine what a cross between a piranha and a parakeet would look like, or maybe a mash up of bat and a puppy.
