MEMORY GAME

Help your child cut along the dotted line and place cards picture-side-down on a flat surface. The youngest player goes first. Players take turns turning any two cards picture-side-up. If the cards match, the player who turned over the cards gets to keep the set. If the cards do not match, the cards are turned picture-side-down again. The game continues until all cards have been matched. The player with the most matching pairs at the end wins!
